Supervisor Lisa A. Bartlett

**From:** Shari L. Freidenrich, CPA, CCMT, CPFA, ACPFIM *SF*

**Subject:** Treasurer's Investment Report for the Month Ended August 31, 2021

---

The Treasurer's Investment Report for the month ended August 31, 2021 is attached, is online at [octreasurer.com/publicfunds](http://octreasurer.com/publicfunds) and is provided in compliance with California Government Code Sections 53607, 53646 and 27134 and the County's Investment Policy Statement (IPS). This report contains various charts and information.

**INVESTMENT POOL COMPOSITION**

The Investment Pool Statistics summary shows the total investment responsibility of the County Treasurer as delegated by the Board of Supervisors: the Orange County Investment Pool (OCIP) that includes the Voluntary Participants' funds, the Orange County Educational Investment Pool (OCEIP), the John Wayne Airport Investment Fund and various other specific non-pooled investment funds. Investment of these public funds by the County Treasurer is based on compliance with State law and prudent money management. The primary goal is to invest public funds in a manner that will provide for maximum security of principal invested with secondary emphasis on providing adequate liquidity to pool participants and lastly to achieve a market rate of return within the parameters of prudent risk management while conforming to all statutes and resolutions governing the investment of public funds.

The County Treasurer currently maintains four funds, the Orange County Money Market Fund (OCMMF), the Orange County Educational Money Market Fund (OCEEMMF), the John Wayne Airport Investment Fund and the Extended Fund. Standard & Poor's, on December 16, 2020 reaffirmed their highest rating of AAA on the OCMMF and the OCEEMMF. The OCIP is comprised of the OCMMF and portions of the Extended Fund. The OCEIP is comprised of the OCMMF and portions of the Extended Fund.

The maximum maturity of investments for the OCMMF and the OCEEMMF is 13 months, with a maximum weighted average maturity (WAM) of 60 days, and they have a current WAM of 22 and 24 days respectively. The maximum maturity of investments for the John Wayne Airport Investment Fund is 15 months, with a maximum WAM of 90 days, and a current WAM of 60 days. The maximum maturity of the Extended Fund is five years, with duration not to exceed 1.5 years, and the duration is currently at 1.22 years. The investments in all of the funds are marked to market daily to calculate the daily fair value of the funds. To further maintain safety, adherence to an investment strategy of only purchasing top-rated securities and diversification of instrument types and maturities is required.

**ECONOMIC UPDATE**

In August 2021, the job market added 235,000 jobs, and July's job numbers were revised upward by 11,000 to 1,053,000. The U.S. unemployment rate for August decreased to 5.2% from 5.4% in July. The U.S. Gross Domestic Product second quarter rate was revised up from 6.5% to 6.6%. The Empire State Manufacturing Index decreased to 18.3 in August from 43.0 in July. The Philadelphia Fed Index decreased to 19.4 in August from 21.9 in July. The Federal Reserve uses these indexes as regional economic gauges, and a reading above zero signals economic

expansion. The index for pending home sales decreased 9.5% on a year-over-year basis in July, down from negative 3.5% (revised) in June.

The 10-year Treasury rate increased from 1.24% in July to 1.30% in August. The short-term 90-day T-bill rate decreased from 0.06% in July to 0.04% in August. The rate on the 2-year Treasury note increased from 0.19% in July to 0.20% at the end of August.

#### **INVESTMENT INTEREST YIELDS AND FORECAST**

The current gross and net year-to-date yields for fiscal year 2021/2022 are 0.58% and 0.52% for both OCIP and OCEIP respectively. The forecast for the OCIP and OCEIP gross and net yields for fiscal year 2021/2022 is 0.36% and 0.30% respectively.

#### **APPORTIONMENT OF COMMINGLED POOL INTEREST EARNINGS**

Monthly, the County Treasurer apportions the accrued interest earnings. As of the first business day of the following month accrued, but unpaid, interest earnings are added to pool participants' average balances in determining a participant's relative share of the pool's monthly earnings. The actual cash distribution for June 2021, July 2021 and August 2021 interest apportionments are expected to be paid September 2021, October 2021 and November 2021 respectively. The investment administrative fee for fiscal year 2021/2022 is estimated at 5.8 basis points.

#### **TEMPORARY TRANSFERS**

The County Treasurer, as required by Constitution Article XVI, Section 6, and per the Board of Supervisor's Resolution 15-016, is authorized to make temporary transfers to school districts to address their short-term cash flow needs. The loans are secured by tax receipts to be received by the County Treasurer, as the banker for the school districts. Temporary transfers from the OCEIP total \$10 million and will be repaid by October 31, 2021.

#### **PORTFOLIO HOLDINGS OF DEBT ISSUED BY POOL PARTICIPANTS**

Under guidelines outlined in the current IPS, the County Treasurer may invest in "AA" or above rated securities issued by municipalities. Municipal debt issued by the County of Orange is exempt from this credit rating requirement. The Investment Pools may invest no more than 5% of individual pool assets in any one issuer, with the exception of the County of Orange which has a 10% limit. The Investment Pools have a total market value of \$363.6 million in County of Orange debt, which represents approximately 3.5% of total pooled assets. Prior to purchasing any pool participant debt, a standardized credit analysis is performed.

#### **COMPLIANCE SUMMARY**

The investment portfolios had no IPS compliance exceptions in the month of August, 2021. On August 12, 2021 the Auditor Controller issued their Review of the Schedule of Assets Held by the County Treasury (Review) as of March 31, 2021. The report stated that they were not aware of any material modifications, except that management has elected to omit disclosures ordinarily included in a financial schedule prepared on the modified cash-basis of accounting, which is consistent with prior Review reports. On August 31, 2021 the Auditor-Controller issued their report on Compliance Monitoring of the Treasurer's Investment Portfolio for the Quarter Ended March 31, 2021 that stated no compliance exceptions were identified.

#### **CREDIT UPDATE**

During August, there were no changes to the Treasurer's Approved Issuer List. An ongoing credit analysis of all issuers owned in the Investment Pools is reviewed on a daily, monthly, quarterly and annual basis.

I certify that this report includes all pooled and non-pooled investments as of August 31, 2021 and is in conformity with all State laws and the IPS approved by the Board of Supervisors on November 17, 2020. The investments herein shown provide adequate liquidity to meet the next six months of projected cash flow requirements. I am available if you have any questions on this Investment Report at (714) 834-7625.

<sup>1</sup> Market values provided by Bloomberg and Northern Trust.

<sup>2</sup> The OCIP End Of Month Market Value and End Of Month Book Value were higher than the prior year primarily due to higher balances for voluntary pool participants, special revenue and capital projects offset by a lower general fund balance.

<sup>3</sup> The OCIP and OCEIP Monthly Accrued Earnings, Monthly Net Yields, Year-To-Date Net Yields and Annual Estimated Gross Yields were lower than the prior year primarily due to the five Federal Reserve short-term rate cuts totaling 2.25% since June 2019. The OCIP and OCEIP Annual Estimated Gross Yields for August 2020 are reported at the actual annual adjusted gross yields for FY 20-21.

<sup>4</sup> The OCIP and OCEIP WAMs increased from the prior year as portfolio duration is being extended as current liquidity is sufficient to cover expected expenditures.

**ORANGE COUNTY TREASURER-TAX COLLECTOR**  
**CASH AVAILABILITY PROJECTION**  
**FOR THE SIX MONTHS ENDING FEBRUARY 28, 2022**

Government Code Section 53646 (b) (3), effective on January 1, 1996, requires the Treasurer-Tax Collector to include a statement in the investment report, denoting the ability of the Orange County Investment Pool (OCIP) and the Orange County Educational Investment Pool (OCEIP) to meet their expenditure requirements for the next six months.

The OCIP and OCEIP consist of funds in the treasury deposited by various entities required to do so by statute, as well as those entities voluntarily depositing monies in accordance with Government Code Section 53684.

The Treasurer-Tax Collector is required to disburse monies placed in the treasury as directed by the Auditor-Controller and the Department of Education, except for the making of legal investments, to the extent funds are transferred to one or more clearing funds in accordance with Government Code Section 29808.

The Treasurer-Tax Collector, in her projection of cash availability to disburse funds as directed by the Auditor-Controller and the Department of Education, is primarily relying on historical trends involving deposits and withdrawals and known future cash flows. No representation is made as to an individual depositor's ability to meet their anticipated expenditures with anticipated revenues.

The Cash Availability Projection for the six months ending February 28, 2022, indicates the ability of the pools to meet projected cash flow requirements. However, there will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected and those differences may be material.

(1) All investments are marked to market in compliance with the IPS and market values are provided by Bloomberg Professional Services and Northern Trust.

(2) Excludes US Government Debt and municipal debt issued by the County of Orange, California, per the 2020 IPS policy approved by the Board of Supervisors on November 17, 2020 effective on January 1, 2021.

(3) IPS requirements further limit investments in each MMMF account, JPA pool and repurchase agreement issuer to 10%.

(4) Rating Agency requirements limit the investments in U.S. Government Agency Securities to 33% for the two Money Market Funds. Securities maturing in less than 30 days are excluded from this calculation.

(5) Duration is a modified duration, which does not take into consideration all embedded options such as callable bonds.

Note: Compliance exceptions, if any, are noted by red shading for the specific IPS guideline and investment pool.

**Orange County Treasurer-Tax Collector**  
**Noncompliance Detail**  
**For the Month Ended August 31, 2021**

During August, the Orange County Investment Pool (OCIP), the Orange County Educational Investment Pool (OCEIP), and the John Wayne Airport Investment Fund were all free of investment noncompliance incidents.

## **Independent Accountant's Review Report**

The Honorable Board of Supervisors  
County of Orange, California

We have reviewed the accompanying Schedule of Assets Held by the County Treasury—Modified Cash-Basis (financial schedule) of the County of Orange, California, as of March 31, 2021, pursuant to Government Code Section 26920(a). A review includes primarily applying analytical procedures to management's financial data and making inquiries of department management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial schedule as a whole. Accordingly, we do not express such an opinion.

### ***Management's Responsibility for the Financial Schedule***

Management is responsible for the preparation and fair presentation of this financial schedule in accordance with the modified cash-basis of accounting; this includes determining that the basis of accounting the County Treasury uses for financial reporting is an acceptable basis for the preparation of financial schedules in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial schedules that are free from material misstatement, whether due to fraud or error.

### ***Accountant's Responsibility***

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial schedule for it to be in accordance with the modified cash-basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### ***Accountant's Conclusion***

Based on our review, except for the issue noted in the Known Departure from Modified Cash-Basis of Accounting paragraph, we are not aware of any material modifications that should be made to the accompanying financial schedule in order for it to be in accordance with the modified cash-basis of accounting.

### ***Known Departure from Modified Cash-Basis of Accounting***

The financial schedule is prepared in accordance with the modified cash-basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Receipts are recognized when received by the Treasurer; disbursements are recognized when paid by the bank; and the value of investments is stated at fair value. The modified cash-basis of accounting requires that financial statements include adequate disclosures. Management has elected to omit all disclosures ordinarily included in a financial schedule prepared on the modified cash-basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the users' conclusions about the County Treasury's assets.

***Other Matter***

This report is intended solely for the information and use of the Board of Supervisors and the management of the Orange County Auditor-Controller. However, this report is a matter of public record and its distribution is not limited.

# Internal Auditor's Report

Alisa Backstrom, CCMT, CPFIM, Chair  
Treasury Oversight Committee

We have completed our compliance monitoring of the Treasurer's investment portfolio for the quarter ended March 31, 2021. The purpose of our engagement was to determine whether the pooled and non-pooled funds complied with the Treasurer's Investment Policy Statement (IPS) and compliance exceptions were reported in the Treasurer's Monthly Investment Report. The funds covered by this engagement include those of the Orange County Investment Pool (OCIP), Orange County Educational Investment Pool (OCEIP), and John Wayne Airport (JWA) Investment Fund. The Treasurer invests pooled funds from the OCIP and OCEIP into three funds: the Orange County Money Market Fund and the Orange County Educational Money Market Fund (collectively referred to as Money Market Funds), and the Extended Fund.

We performed our compliance monitoring of the Treasury's investment portfolio at the request of the Treasury Oversight Committee. It is designed to provide limited assurance to the Treasury Oversight Committee and the Office of the Treasurer-Tax Collector that the Treasurer's investment portfolio complies with the IPS and the Treasurer reports all compliance exceptions.

Our procedures included judgmentally selecting 15 business days for testing and importing the selected electronic downloads from the Treasurer's Quantum system into TeamMate Analytics, an Excel-based data analytics software, to perform calculations and determine whether investment purchases complied with the IPS.

Based on the procedures performed, no compliance exceptions were identified.

The following lists the procedures performed and the results achieved:

1. Authorized Investments (IPS Sections VI, VII, VIII, IX, and XI): We judgmentally selected 15 investments purchased during the quarter (one investment for each of the 15 business days selected for testing). We confirmed that the investments conformed to the investment requirements at the time of purchase and were purchased from issuers or brokers on the Treasurer's authorized lists per the IPS.

Results: We found no exceptions.

2. Diversification Limits (IPS Section VIII.1): We confirmed that the investments did not exceed the diversification limits for investment types per the IPS.

Results: We found no exceptions.

3. Weighted Average Maturity (WAM) Limits (IPS Section VIII.2): We confirmed that WAM did not exceed 60 days for the Money Market Funds per the IPS, and that WAM did not exceed 90 days for the JWA Investment Fund.

Results: We found no exceptions.

# Internal Auditor's Report

4. Maximum Maturity Limits (IPS Section VIII.2): We confirmed that the maximum maturity of any investment purchased did not exceed 397 days for the Money Market Funds and five years for the Extended Fund per the IPS, and that the maximum maturity did not exceed 15 months for the JWA Investment Fund.

Results: We found no exceptions.

5. Investment Type Maximum Maturity Limits (IPS Section VIII.1): We confirmed that the maximum maturity of investment types purchased that have lower limits than those covered by IPS Section VIII.2 did not exceed 180 days for repurchase agreements in the Extended Fund and bankers' acceptances, 270 days for commercial paper, 18 months for negotiable certificates of deposit, and two years for medium-term notes in accordance with the IPS.

Results: We found no exceptions.

6. Issuer Concentration Limits (IPS Section VIII.1): We confirmed that the investments did not exceed the issuer concentration limits per the IPS.

Results: We found no exceptions.

7. Financial Reporting (IPS Section XXI): We confirmed that any compliance exceptions identified during our testing were reported in the Treasurer's Monthly Investment Report per the IPS.

Results: We found no exceptions.

This report is intended solely for the information and use of the Treasury Oversight Committee and the Office of the Treasurer-Tax Collector; however, this report is a matter of public record and its distribution is not limited.
