INTERDEPARTMENTAL COMMUNICATION

Date: May 17, 2024

To: Chairman Don P. Wagner
Vice Chairman Doug Chaffee
Supervisor Andrew Do
Supervisor Vicente Sarmiento
Supervisor Katrina Foley

From: Shari L. Freidenrich, CPA, CCMT, CPFA, ACPFIM

Subject: Treasurer's Investment Report for the Month Ended April 30, 2024

The Treasurer's Investment Report for the month ended April 30, 2024, is attached, is online at octreasurer.com/publicfunds and is provided in compliance with California Government Code Sections 53607, 53646 and 27134 and the County's Investment Policy Statement (IPS) approved by the Board of Supervisors on December 19, 2023. This report contains various charts and information for the Orange County Investment Fund (OCIF), defined in the IPS as all monies under the investment authority of the Treasurer. The OCIF consists of Pooled Funds, defined in the IPS as the Orange County Treasurer's Pool (OCTP), Specific Investment Accounts and a Bond Proceeds Account that, by law, are called the County Treasury.

OCIF STATISTICS

The OCIF summary shows the total investment responsibility of the County Treasurer as delegated by the Board of Supervisors. The primary goal is to invest public funds in a manner that will provide for maximum security of principal invested with secondary emphasis on providing adequate liquidity to pool participants and lastly to achieve a market rate of return within the parameters of prudent risk management while conforming to all statutes and resolutions governing the investment of public funds.

This summary includes OCIF statistics such as cost, book value, market value, daily and monthly yields, the weighted average maturity and the net asset value. The report also contains pooled fund information on balances, balance trends, and top participants for the two reporting entities, the Orange County Investment Pool (OCIP) that includes the County's and the Voluntary Participants' funds and the Orange County Educational Investment Pool (OCEIP) that includes all funds of the Educational Districts. The summary pages contain changes in the market values and Net Asset Values from prior reports as market value for investments is now reported excluding accrued interest, which is an asset account separate from Cash and Investments. Some pages may still include market value with accrued interest and are so noted.

All investments in OCTP, the Specific Investments and Bond Proceeds Account are marked to market daily to calculate their daily fair value using market value excluding accrued interest. The current market values for Specific Investment Accounts (Pension Prepayment-CEO and Fountain Valley School District) and Bond Proceeds Account (CCCD Series 2017E Bonds) continue to be below book values. OCTP has also dropped below book value, due to the change in market value above. Each of these has sufficient liquidity to meet their projected cash flow needs. The maximum maturity of the OCTP is five years, with duration not to exceed 1.5 years. The duration is currently at 1.09 year. To further maintain safety, adherence to an investment strategy of only purchasing top-rated securities and diversification of instrument types and maturities is required. On November 1, 2023, Fitch assigned the OCTP their highest credit rating of AA Af for credit risk and a rating of S1, indicating a very low sensitivity to market risk.

ECONOMIC UPDATE

The U.S. economy continues to experience employment gains, yet inflation remains above the Federal Open Market Committee's (FOMC) target of 2%. Job gains were 175,000 in April after increasing 315,000 (revised) in March, while March's headline inflation increased to 3.5% year over year, higher than February's 3.2%. The FOMC held interest rates at a range of 5.25-5.50% on May 1, 2024. Neither the financial market nor the FOMC are pricing a change at the next FOMC meeting on June 12, 2024. Other recent U.S. economic releases include:

- Gross Domestic Product (revised) slowed to 1.6% (survey: +2.5%) in the first quarter compared to the fourth quarter's rise of 3.4%.
- The Unemployment Rate increased to 3.9% (survey: 3.8%) in April from 3.8% in March.
- The Empire State Manufacturing Index increased to -14.3 (survey: -5.2) from the prior month's -20.9 while the Philadelphia Fed Index increased to 15.5 (survey: 2.0) from 3.2 in April. The Federal Reserve uses these indexes as regional economic gauges with a positive reading signaling economic expansion.

The Treasury par yield curve increased yet remained inverted in April. The 90-day Treasury Bill rate remained at 5.46%. The 2-year Treasury Note rose to 5.04% from 4.59% while the 10-year Treasury Bond rate increased to 4.69% from 4.20%.

INVESTMENT INTEREST YIELDS AND FORECAST

The current OCTP gross and net yields for fiscal year 2023-2024 are 4.24% and 4.20%. The daily gross yield for OCTP as of April 30, 2024, is 4.53%. The forecasts for the OCTP gross and net yields for the fiscal year 2023/2024 are expected to be slightly higher than the existing forecast of 4.05% and 4.00, respectively. The investment administration fee for fiscal year 2023/2024 is estimated to be lower than the 5.0 basis points, primarily due to higher average balances than originally estimated and higher cost savings expected for the remainder of the fiscal year. The estimated monthly investment administrative fee charged in April 2024 was 1.0 basis points, below the original estimate of 5.0 basis points for the fiscal year.

APPORTIONMENT OF COMMINGLED POOL INTEREST EARNINGS

Monthly, the County Treasurer apportions the accrued interest earnings. As of the first business day of the following month accrued, but unpaid, interest earnings are added to pool participants' average balances in determining a participant's relative share of the pool's monthly earnings. The actual cash distribution for February 2024, March 2024 and April 2024 interest apportionments are expected to be paid in May 2024, June 2024 and July 2024 respectively.

TEMPORARY TRANSFERS

The County Treasurer, as required by Constitution Article XVI, Section 6, and per the Board of Supervisor's Resolution 15-016, is authorized to make temporary transfers to school districts to address their short-term cash flow needs. The loans are secured by tax receipts to be received by the County Treasurer, as the banker for the school districts. There were no temporary transfers outstanding as of April 2024.

COMPLIANCE SUMMARY

The investments in OCIF had no compliance exceptions in the month of April 2024. On April 11, 2024, the Auditor-Controller issued their Compliance Monitoring of the Treasurer's Investment Portfolio for the Quarter Ended December 31, 2023, that stated no compliance exceptions were identified.

CREDIT UPDATE

During April, there were no credit rating changes and no changes to the Treasurer's Approved Issuer List. Credit analysis occurs for all issuers owned on a daily, monthly, quarterly, and annual basis.

I certify that this report includes the OCTP, the Specific Investment Accounts and the Bond Proceeds Account as of April 30, 2024, and is in conformity with all State laws, the IPS and bond document. The OCTP herein shown provides adequate liquidity to meet the next six months of projected cash flow requirements. I am available if you have any questions on this Investment Report at (714) 834-7625.

Weighted Average Maturity (WAM) ⁵	424	361	63	17.42%	209	215	102.64%

¹ Market values provided by Northern Trust, excludes accrued interest.

² The Monthly Average Balance is higher than the prior month due to property tax receipts, and the Year-To-Date Average Balance is higher than the prior year primarily due to an increase in property assessed values of 6.41% in FY 23-24.

³ The Monthly Accrued Earnings are higher than the prior month due to a higher fund balance, the Monthly Accrued Earnings, Monthly Net Yield and Year-To-Date Net Yield are higher than prior year due to the FOMC target rate range of 5.25% -5.50%, and reinvestment yields that are higher than the current portfolio yield and the maturing securities, respectively.

⁴ The Annual Estimated Gross Yield is higher than the prior year due to continued higher yields from short-term rate increases. The Annual Estimated Gross Yield for April 2023 is reported at the actual annual gross yields for FY 22-23.

⁵ The WAM is higher than the prior month and year due to longer term purchases. The financial market is not pricing a change in rates at the next FOMC meeting in June 2024.

- OCIP rate from Feb 2014 – Nov 2022; OCTP rate beginning Dec-2022 and on a go-forward basis

**ORANGE COUNTY TREASURER-TAX COLLECTOR
CASH AVAILABILITY PROJECTION
FOR THE SIX MONTHS ENDING OCTOBER 31, 2024**

Government Code Section 53646 (b) (3), effective on January 1, 1996, requires the Treasurer-Tax Collector to include a statement in the investment report, denoting the ability of the Orange County Treasurer's Pool (OCTP) to meet expenditure requirements for the next six months.

The OCTP consists of funds in the treasury deposited by various entities required to do so by statute, as well as those entities voluntarily depositing monies in accordance with Government Code Section 53684.

The Treasurer-Tax Collector is required to disburse monies placed in the treasury as directed by the Auditor-Controller and the Department of Education, except for the making of legal investments, to the extent funds are transferred to one or more clearing funds in accordance with Government Code Section 29808.

The Treasurer-Tax Collector, in her projection of cash availability to disburse funds as directed by the Auditor-Controller and the Department of Education, is primarily relying on historical trends involving deposits and withdrawals and known future cash flows. No representation is made as to an individual depositor's ability to meet their anticipated expenditures with anticipated revenues.

The Cash Availability Projection for the six months ending October 31, 2024, indicates the ability of the pools to meet projected cash flow requirements. However, there will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected and those differences may be material.

Internal Auditor's Report

We have completed our compliance monitoring of the Treasurer's investment portfolio for the quarter ended December 31, 2023. The purpose of our engagement was to determine whether the Treasurer's investment portfolio complied with the Treasurer's Investment Policy Statement (IPS).

We analyzed the FIS Quantum data for 15 business days to perform the following procedures:

1. Authorized Investments (IPS Sections VI, VII, IX, and XI): We selected one investment purchase per day and confirmed that it conformed to the IPS restrictions.
Results: We found no exceptions.
2. Diversification Limits (IPS Section VIII.1): We confirmed that investments did not exceed the diversification limits.
Results: We found no exceptions.
3. Maximum Maturity Limits (IPS Section VIII.2): We confirmed that investments did not exceed the maximum maturity limits.
Results: We found no exceptions.
4. Lower Maturity Limits (IPS Section VIII.1): We confirmed that investments with lower limits than those covered by IPS Section VIII.2 did not exceed the lower maturity limits.
Results: We found no exceptions.
5. Issuer Concentration Limits (IPS Section VIII.1): We confirmed that the investments did not exceed the issuer concentration limits.
Results: We found no exceptions.
6. Financial Reporting (IPS Section XXI): We confirmed that T-TC reported any compliance exceptions in the Treasurer's Monthly Investment Report.
Results: We found no exceptions.

This report is intended solely for the information and use of the Treasury Oversight Committee and the Office of the Treasurer-Tax Collector; however, this report is a matter of public record and its distribution is not limited.
